The Rampart High School Instrumental Music Band Boosters (RHSBB) is a non-profit 501(c)(3) organization whose mission is to provide the best possible musical and educational experience for any student involved in a music or marching band program at Rampart High School (RHS). We support the RHS band's curricular classes as well as extracurricular activities, such as the Rampart Regiment, the Rampart Winter Guard and Rampart Winter Percussion Ensemble.

We raise money to purchase musical instruments and marching band uniforms, pay for instrument repairs, transportation and help offset the cost of hiring instructional staff.

*This year's fundraising goal is \$75,000.*

The RHS Band Boosters organization works closely with the school's band directors, administration and the Academy School District 20 Board of Education to ensure that the instrumental music program at Rampart High School continues to provide the best musical and educational opportunities to students.

## A MESSAGE FROM THE RAMPART HIGH SCHOOL DIRECTORS OF BANDS

Dear Friend and Patron of the Arts,

We would like to thank you for considering sponsorship of the Rampart High School Band Program and the Rampart High School Band Boosters Organization.

Our band program has been regionally and nationally recognized as a program of excellence, providing a broad range of musical and educational performance experiences for students of all backgrounds and ability levels. Please help us to continue to provide the best educational experience for the students of Rampart High School. The success of the Rampart Band Program takes hours and hours of time from dedicated students, instructors, parents and committed volunteers. It also takes a significant amount of financial support from fundraising and donations.

From an educational standpoint, the Rampart High School Band Program strives to be an organization that develops lifelong excellence in young people through a superior and challenging performing arts education experience. More than ever, we need your investment as arts programs across the state are facing reduced budgets and a lack of state funding support.

No contribution is too small. Every contribution sends a signal to other potential donors that people believe in what we do for youth — that our community supports us.

We hope to continue to make our community proud as we pursue our musical goals. Thank you very much for becoming an important part of our achievements! Please join us by helping in any way you can.

Mr. Keith Acuncius

Mr. Angelo Sapienza

## RAMPART HIGH SCHOOL BANDS

The Rampart High School Band Program is an award-winning music program that serves over 200 high school students:

- Students are highly motivated academic achievers who score higher than the Colorado average on the national ACT test
- A high percentage of instrumental music students are International Baccalaureate and Advanced Placement Scholars
- Many instrumental music students attend four year colleges/ universities

Our band program strives to give all members a comprehensive performing arts education focusing on instrumental music, while simultaneously instilling important life skills necessary for becoming productive members of society & life-long music lovers.
